

Hulme Street Events and Training

After completion of works, the **Hulme St Edible Corridor** will have **£3,500** to spend on maintaining involvement and interest in the new park.

HOW WOULD YOU SPEND IT?

Outdoor fitness classes? Bike maintenance training?
Jam making classes? Awareness raising about
sustainable food and biodiversity?

We want your ideas but only if YOU have
the time to see them through.

The money will be made available to local tenants and residents to organise activities around the themes of
FITNESS, BIODIVERSITY and EDIBLE CROPS.

The money can be used for refreshments, training costs, equipment, publicity etc. We are looking for ideas with draft costings (up to £1000 per bid) and proposed dates of delivery between April – August 2012. If you have an idea and you can make it happen, please let us know.

BID FOR THE MONEY!

Bids must be in by 5th November and there will be a community event on 6th November to choose which ideas to take forward.

Please post your bids to the TARA Office, 26a Humberstone Ave; don't forget to put down your contact details.
